

we're
enrolled
in the

This year, our school will take part in the Scripps National Spelling Bee program! This means your child can compete in the nation's largest and longest-running educational program. Learn more about the Bee at spellingbee.com.

details about our school spelling bee

date:

**Thursday
January 23rd**

time:

02:45 p.m.

location:

PV cafeteria

what your child should study

Start with the School Spelling Bee Study List, which includes 450 useful and fascinating words. Our school spelling bee will begin with words from this list, but you may see words not on the list in later rounds as the competition gets tougher. Your child will benefit from studying these words whether they study every one or just the 50 at their grade level!

Your child can also study with Word Club, the free app that includes fun word games and quizzes. Visit www.spellingbee.com/study-tips for even more tips from the Bee.

vision

.....

To give students the words they need to shine their light on the world.

mission

.....

By inspiring the exploration of words, the Scripps National Spelling Bee illuminates pathways to lifelong curiosity, celebrates academic achievement and enriches communities.

about the bee

Your child is one of an estimated 11 million students who will begin an unforgettable journey this fall in classrooms across America. Some will go on to compete in spelling bees at the regional qualifier and regional levels. The best of the best will advance to the national competition in Washington, D.C.

No matter what path their journey follows, your child will gain knowledge in spelling and vocabulary that will help them shine their light on the world.

Participating in spelling bees will help your child:

inspire
a lifelong
love of
learning

develop
vocabulary
and language
skills

gain
confidence
and camaraderie
with their fellow
students

strengthen
life skills like
sportsmanship
and goal
setting

practice
poise and
public
speaking
