

Top 10 Must Know's for the 2022-23 School Year:

10. Plan to attend PV's Back to School Night on August 11th, from 5:30-6:30. Swing by the classroom to meet your child's teacher and drop off school supplies, then stick around for food truck fun!

9. Please help us to represent Prospect Valley in the annual Carnation Festival Parade at 9AM on Saturday, August 13th. Kids and families are encouraged to wear spirit wear! Look for more details via the Prospect Valley PTA Facebook Group.

8. August 16th is the first official day of school for 1st- 5th grades. PV does a soft start for kindergarten. Kindergarten students with last names A-M will attend only on August 16th. Kindergarten students with last names N-Z will attend only on August 17th. The first full day for all kindergartners will be August 18th.
*Both of those days are full school days for grades 1-5.

7. Parking at PV is going to be a moving target for most, if not all of the year. Please be patient, as the school is doing their best to navigate around the constantly changing construction schedule. Principal Schrant will use the Monday Flash to communicate changes to parking and the Hug n Go as needed.

6. Curriculum Night is your opportunity to hear from your child's teacher about expectations for the year. There will be two sessions for grades 1-5 at 5:30PM and 6PM on August 25. Kdg will be at 5PM.

5. Literacy testing for grades K-5 will be held on August 26th and 29th. Families will sign up for a 3-hour session on one of those two days. The blocks of time for sign up on both days are 8:00-11:00 and 12:00-3:00. Students will not attend school outside of their 3 hour testing session on 8/26 and 8/29.

4. Prospect Valley will move to our new building after the Winter Break! We will likely experience many construction updates during the year, so please pay attention to the weekly Flash for the latest news!
